Dear Ministers:

I am the Programs Coordinator at Sangha Center for Spiritual Living in Huntington Beach, CA. I cannot speak highly enough of Nick Arandes. We have been blessed with Nick's presence here three times in just a little over a year.

The first time I heard Nick speak I was enchanted and had to pass along the information to Rev. David, our Community Spiritual Leader. Having experience as a stand up comedian, Nick also remains a devout student of the Course in Miracles. Nick blends his humor with his deep spiritual wisdom, wisdom gained often by some tough experiences, which he candidly and poignantly shares with his audience.

I can honestly say you would not want to pass up the opportunity to have him speak at your Church or Spiritual Center. It would be a tremendous gift to your spiritual community...and you may just fall in love with him like we, here, at Sangha have! Thank you, Nick, for brightening our world!

Namaste!
